

## **Ad Majorem Dei Gloriam** By Juan Antonio Ruiz copyright 1997

### **Verse 1:**

Hear! Hear! My dear, let me make one thing clear  
Every knee shall bend and head bow in holy fear  
When the King appears in majestic robes untold  
It all unfolds while behold the One of old In the scrolls, the God of Abraham, Issac  
and Jacob!  
Before His glory shakes us making joy in souls wake up!  
Taking all the energy of every being in the region  
It's the season for His kingdom  
to be brought before the heathen!  
So all come give Him praise! Glory, honor to Him only!  
Precisely for this reason speaking why you do not know me  
See, i keep myself concealed so that God may use the skill  
to appeal to whom He wills, and His loving shield reveal  
On the reel. The cross is not a loss for those who have faith.  
The resurrection showed that Christ opened heaven's gate  
For the soul who lead a life that was wedded to the Christ  
through the Church who is the Bride that is embedded in His  
light So best you rest assured that blessed are the pure  
Of heart cause from the start they make God's will secure  
Cause if any thing they do, they do it out of love  
Of Him, they're thinking of to send the praise up above

### **Chorus:**

Allelu-ia, alleluia, allelu-ia, al-le-lu-ia(Ad majorem, ad majorem Dei gloriam) repeat  
"To the greatest glory of God!" Allelu-ia, alleluia, allelu-ia, al-le-lu-ia  
(Ad majorem, ad majorem Dei gloriam) repeat  
"To the greatest glory of God!"

### **Verse 2:**

Never underestimate nor look down  
and frown upon another brother  
'Cause i may discover it's Christ undercover.  
Love my neighbor as myself, giving all to gain true wealth  
Make my life a sacrifice, shedding light on holy health.  
As i dwelt upon the recipe for sanctity  
I thought of ways i may pursue the virtues i knew i'd need  
To achieve that basic end for which God created men  
To praise and reverence Him with love and hating every sin  
And make my faith undaunted so what's wanted never  
shakes it And basis it on the point that i was born and will  
die naked Taking none of my possessions, when i go to heaven  
Cause God makes no concessions  
when the judgment is in session.  
Intercession of the Virgin will be needed urgently  
Her word made to serve and protect in emergency  
Never shall She fail! All generations hail!  
In Her the Lord prevails to bail a soul out of Hell!  
So brother run and get your rosary and start praying.

Listen closely to what our Lady of Fatima is saying  
Take always into practice being an active Catholic  
Make the Sacraments and penance become your daily habit.  
It's not fanatic, but simply living out the baptismal vows  
Written on your profile as a God given child  
Moved by examples of saints from vandals  
Christ lights the candle in souls who are in shambles  
So come one, come all! Come kneel down in awe  
Before the King Who made all things without flaw!  
And may within Him abide all the sinners who confide  
In Him with their lives that He be ever glorified!

**Chorus:**

Allelu-ia, alleluia, allelu-ia, al-le-lu-ia  
(Ad majorem, ad majorem Dei gloriam) repeat  
"To the greatest glory of God!"  
Allelu-ia, alleluia, allelu-ia, al-le-lu-ia  
(Ad majorem, ad majorem Dei gloriam) repeat  
"To the greatest glory of God!"

**Chorus:**

Allelu-ia, alleluia, allelu-ia, al-le-lu-ia  
(Ad majorem, ad majorem Dei gloriam) repeat  
"To the greatest glory of God!"  
Allelu-ia, alleluia, allelu-ia, al-le-lu-ia  
(Ad majorem, ad majorem Dei gloriam) repeat  
"To the greatest glory of God!"
